

STIER RATCHET LEVER HOIST

RATCHET LEVER HOIST

FEATURES

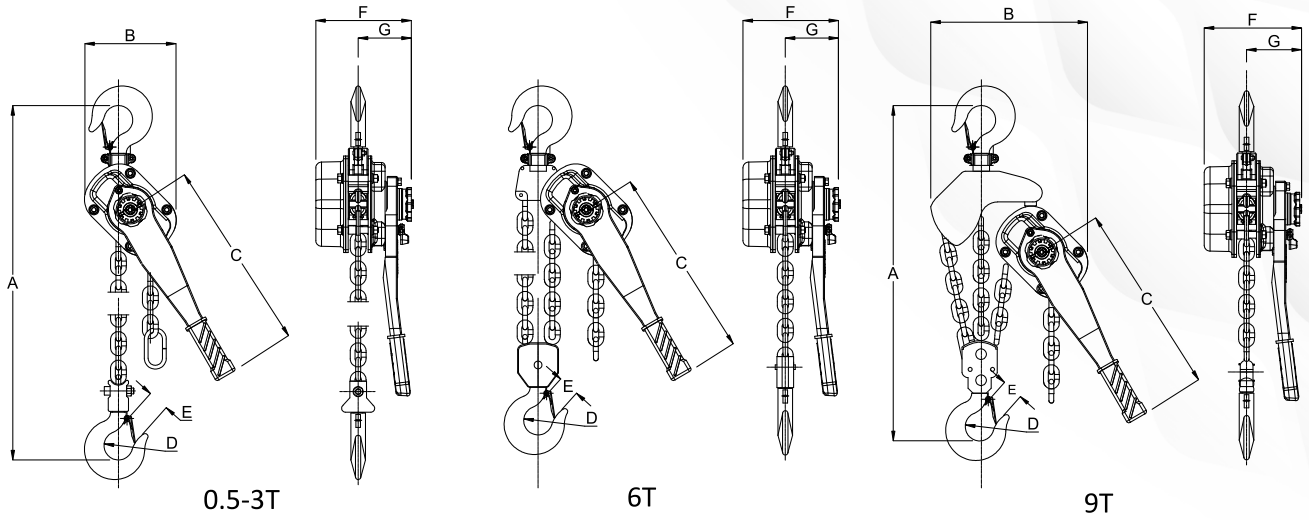

- Capacity ranges from 0.5t to 9t
- Up to 5t in a single strand
- Galvanized and tempered high tensile load chain according to DIN EN 818-7-T
- Robust and compact product
- Integrated freewheel chain guide
- Ergonomic handle, additional screw connection
- Non-slip hand wheel
- Drop-forged load hook with a closed and fitted safety latch

USPs

- Allows easy free chaining and with selector level set at the middle position, pulling the load chain and hook becomes effortless
- High safety factor for the load chain
- Double guide rollers ensure higher resistance to inclined loading

BENEFITS

- Pleasing aesthetics, rust-free design and long chain life
- Being light weigh makes it easier to change the operational set-up in terms of handling and installation
- The chain guide leads effectively the load chain into the sprocket wheel without any jamming or sticking
- The protected hand grip ensures the hand doesn't slip or you hurt yourself
- High operating efficiency and assured reliability
